ORDER

GREGORY H. WOODS, United States District Judge:

On July 14, 2022, the parties filed a stipulated amended confidentiality agreement and proposed protective order. Dkt. No. 73. The parties failed to comply with the Court's Individual Rule 4(D), which requires, among other things, that the parties file the proposed protective order as an attachment to a cover letter and provide a blackline showing any deviations from the Court's Model Protective Order.

Accordingly, the Court DENIES the parties' request to endorse the proposed protective order.

SO ORDERED.
